Company Background

Cedro Property Management was incorporated in 2015. The Company was formed to develop well-designed, competitively-priced real estate in the United Arab Emirates.

Over the past decade, we've been consistent in our objective of contributing our quota to the growth and development of UAE's economy as well as improving the lot of individuals and corporate clients through investment in real estate, general investment finance, and management services.

Cedro Property is a pre-eminent focused property company with a large, well-balanced portfolio comprised of residential, commercial and mixed-use properties. It is renowned for its impressive development of residential properties and its landmark development.

We've also served as residential and industrial Property Management Specialists; where we've gained a good reputation in property management; because we deliver a service that provides integrity, professionalism, and peace of mind to our clients.

Vision & Mission

Vision: To be a recognized leader in the Property Management industry in UAE; while maintaining our authentic level of service founded on basic core values of integrity and partnership.
